- Developed a user-friendly app allowing album collection and sharing with dynamic search and filtering.
- Ensured secure, encrypted storage for member collections with privacy settings.
- Implemented using RESTful API, HTML, CSS, JavaScript, and Express Node framework.
- Tech Stack: HTML, CSS, JavaScript, Express Node, RESTful API ,external libraries.

Education

Queen's University Belfast

Belfast, UK

M.Sc. in Software Development

Sep. 2022 – Sep.2023

Focused thesis on Expense Tracker App.

Dayananda Sagar College

Bangalore, India

B.Arch. in Architecture

Aug.2016 - Aug.2021

Nutana PU Science College

Davangere, India

A-Levels

Jul.2014 – Jul.2016

Professional Experience

Seaside Engineers

Remote

Freelance Draftsman

July 2020 – August 2022

- Produced detailed architectural drawings.
- Customized AutoCAD plugin to improve efficiency.
- Collaborated with engineers on multiple projects.

RC Architecture

Bangalore, India

Intern Architect

Feb 2021 – Jul 2021

- Supported team with drafting and research.
- Cultivated skills in attention to detail and teamwork.
